# Trubina E.g Gorod Teorii Opyt Osmysleniya

**137 religion in the contemporary city** - underway in our country (e.g. [shchepanskaya 2003; trubina 2011]). one of the most interesting and in my view most topical problems confronting the inhabitants of many cities (obviously, not only big cities and not only in russia) are the various 'religious renaissances' — the dissemination of religions, denominations and cults new to the
